## General Instructions:

All seam allowances are  $\frac{1}{4}$ " unless otherwise noted.

Read through all instructions before beginning your project.

## Block Assembly: (Make (3) of each block, square to 11-1/2")

1. Draw diagonal line on back of all 2-1/4" squares.
2. Place (1) U 2-1/4" square right sides together on one corner of (1) S 6" square. Sew on diagonal line, press open, then trim excess fabric on reverse to 1/4". Repeat on opposite corner using (1) A 2-1/4" square. Square to 6", make (2).
3. Sew together (2) A 6" squares and (2) USA 6" squares to create BLOCK A. Make (3)
4. Repeat steps 2 and 3 to create BLOCKS B, C, H, J, K, L, and R.
5. Repeat steps 2 and 3 using T 6" squares instead of S 6" squares to create 3 BLOCKS D, E, F, G, M, N, P and Q.

## Quilt Assembly: (Refer to Quilt Diagram for proper placement and rotation of blocks)

6. Sew blocks together into rows, then sew rows together.  
ROW 1: A - H - E - M - J - R  
ROW 2: K - C - P - G - B - L  
ROW 3: N - D - A - H - E - M  
ROW 4: F - Q - K - C - P - G  
ROW 5: J - R - N - D - A - H  
ROW 6: B - L - F - Q - K - C  
ROW 7: E - M - J - R - N - D  
ROW 8: P - G - B - L - F - Q

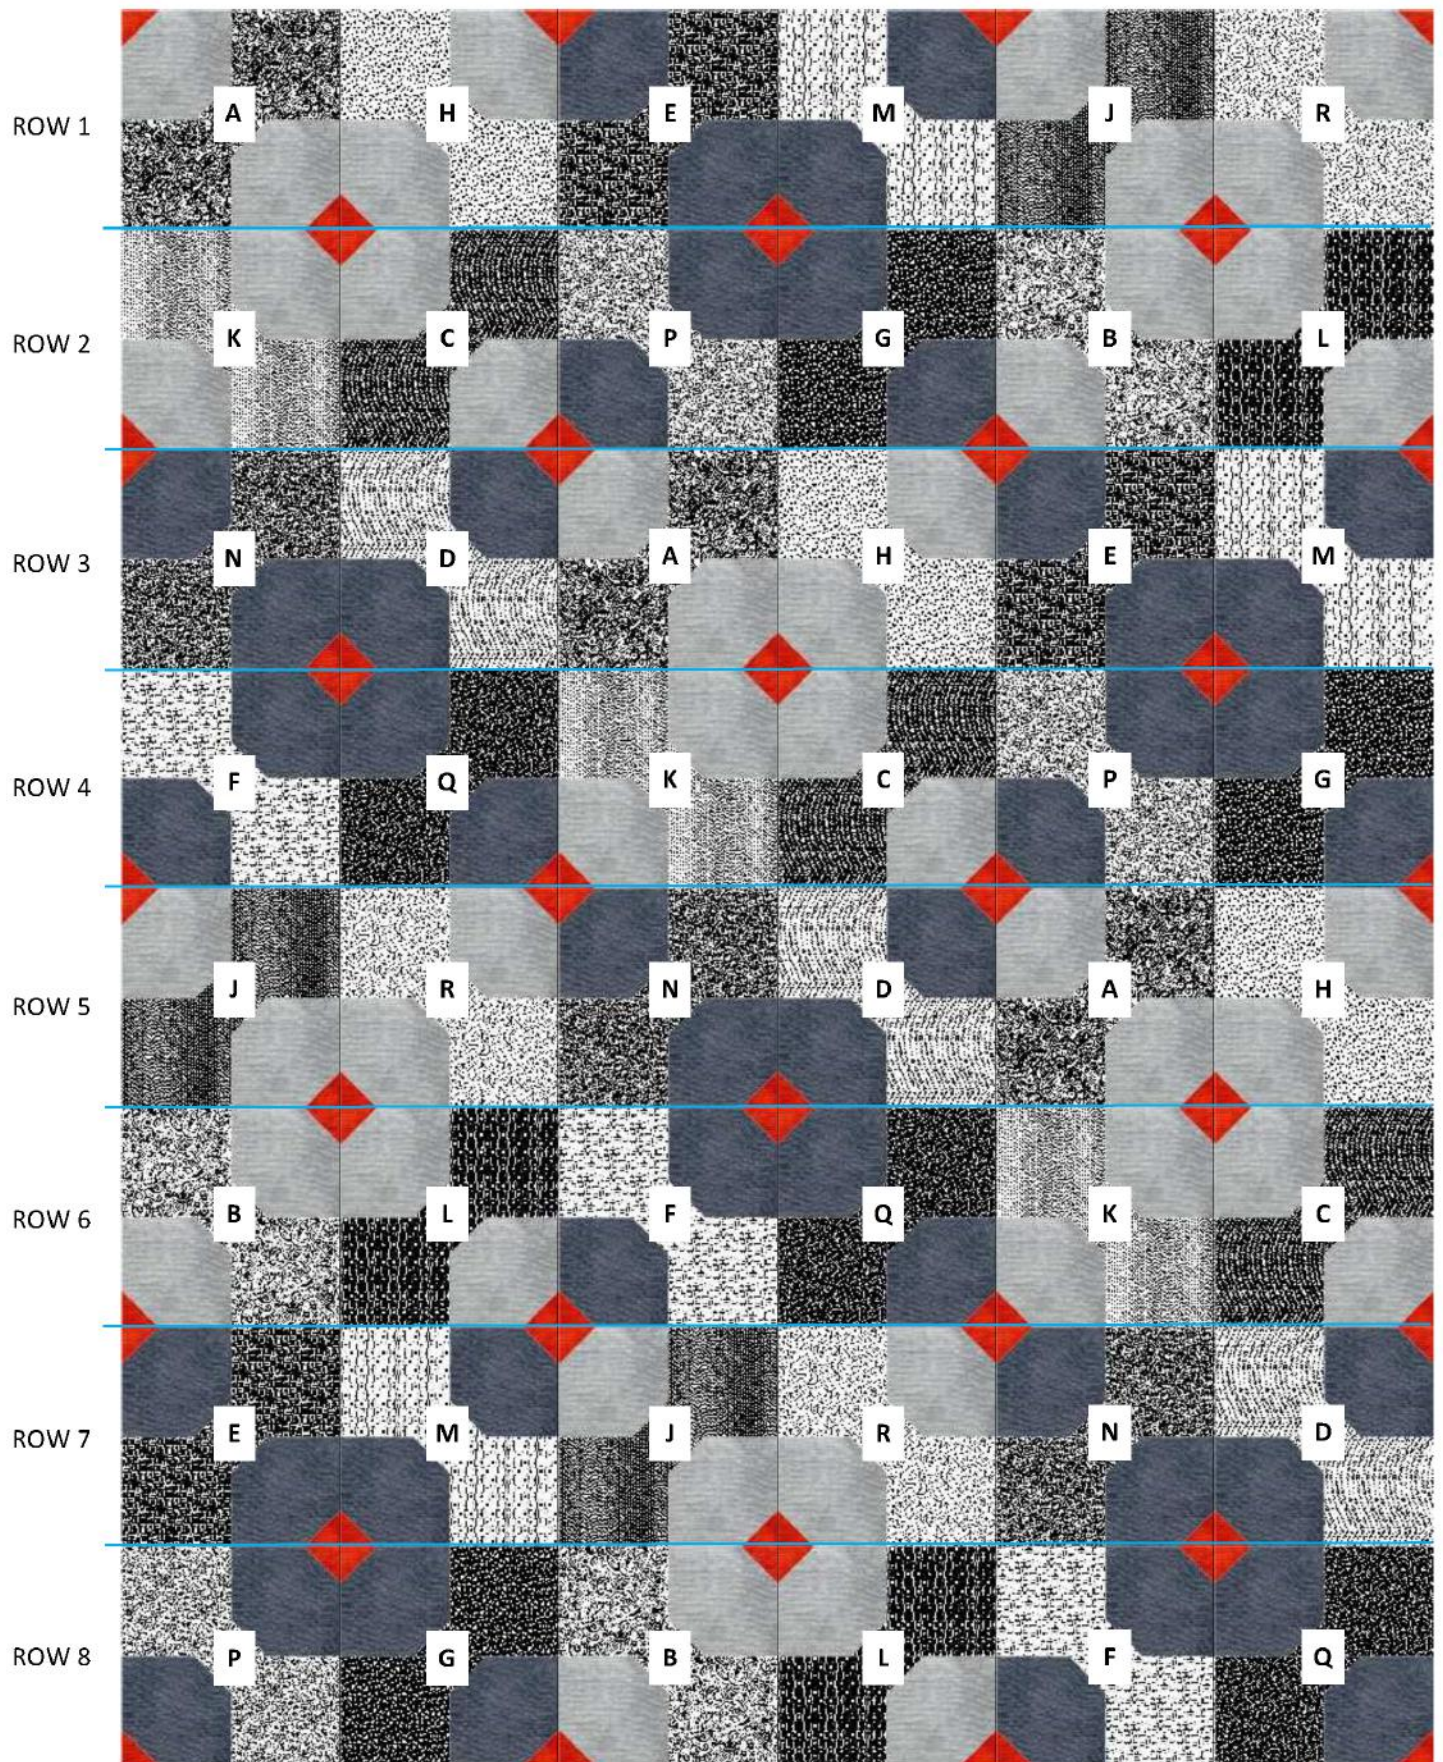

## Finishing:

Backing and batting should be 8" larger than finished quilt top. Layer your backing, batting and quilt top, then quilt as desired. Bind using your preferred method ... and enjoy!
