## Before You Start

- Success with this pattern starts with reading the directions through to the end!
- As you follow the cutting chart you may find it helpful to use inexpensive paper plates for organizing your cut borders and block pieces. Write the names of the items on the plates and stack them to save space
- If you have any questions about the processes suggested here, check first with your local quilt shop. Look on line for helpful videos.
- Now is the time to accurately cut, sew with a  $\frac{1}{4}$ " seam allowance, press diligently and be patient and enjoy each step in the creation of this design.
- This pattern may have some fabric leftover. (Not always a bad thing!) We have not allowed for shrinkage. Purchase extra if you prefer to prewash your fabrics.

Make four.

Using these elements and referring to the quilt picture assemble in strips and join to the center square. Pay close attention to the proper orientation of the blocks. Using a design wall, the floor or bed, etc. lay out all the elements before sewing together. Check and double check!

After completing the top make a quilt sandwich and quilt and bind as desired.
