- For each placemat, trim evenly around each motif leaving as much of the red border as possible.
- Cut backing to be 1" bigger on each side than the placemat. i.e. if the placemat is 17" x 12", the backing should be cut 19" x 14".
- Cut batting to the same size as the backing.
- Layer with backing, face down, batting, and finally the motif face up.
- Pin and quilt as desired. Do not quilt into the overhanging edges of the backing.
- If necessary, trim backing to be even all around the quilted placemat.
- Fold the backing with the batting up to the edge of the placemat.
- Fold again over the edge of the placemat to finish the edge.
- Top stitch the edge down.
- Set a beautiful table!!!
- Enjoy!
