3. Arrange (1) 15 1/2" x 10 1/2" **Fabric D** animal panel, all HST units prepared in Step 2 above, assorted **Fabric A** strips varying in size and (2) 1 3/4" x 22 1/2" **Fabric F** strips to form the pillow front as shown. Reference diagrams for **Fabric A** strip sizing and placement.

PILLOW ASSEMBLY:

5. Layer and sandwich the pillow front with a piece of batting measuring approximately 26 1/2" x 26 1/2", and a plain piece of fabric measuring approximately 26 1/2" x 26 1/2". The fabric piece will be hidden inside the pillow once complete. Baste the layers using the same methods as a large quilt.

Quilt Pillow Top and trim excess batting and backing even with the pillow front.

7. From the pillow backing fabric, cut (2) 22 ½" x 15 ½" pieces of fabric to prepare for envelope pillow back assembly.
8. Along the longest edge of both pillow back pieces, make a ¼" fold with the fold wrong sides together. Press the fold down thoroughly. Then make a fold of the same size along the same edge of pillow back pieces, and press again. This will conceal the raw edges of both pillow back pieces present at the envelope pillow back opening.
9. Use your sewing machine to stitch along the folds on both pillow back pieces to secure. Stitch along the top of the fold and at the bottom of the fold if desired. Backstitch at the beginning and end of each seam.

10. Place the quilted pillow front onto your workstation wrong side up. Then, place one of the prepared pillow back pieces right side up onto the quilted pillow front. Align the raw edges. The fold should be offset from the center of the quilted pillow front.
11. Then, place the remaining prepared pillow back piece right side up and raw edges aligned onto the other side of the quilted pillow front. The pillow back pieces should overlap creating the envelope pillow back. Both pillow back pieces should be right sides up.

12. Pin the layers together, and sew around the edge using a ¼" seam to secure layers together.

13. Bind the completed pillow using your preferred method and (3) 2 ¼" x WOF **Fabric C** strips. Insert the pillow form, and enjoy!
