*(Designer Note: Label the cut pieces according to the block colorway they are assigned to, Colorways 1-5, for organization. Label cut fabric Diamond Templates as "A" or "B". Included on the template pages is a 3 3/4" HST template with blunted corners. If you are unfamiliar with lining up and piecing diamond templates, you may opt to use the HST template to blunt the corners of each triangle. This will assist in lining up fabric pieces for sewing. Using the HST template is optional.)*

## BLOCK ASSEMBLY

1. Using the diagrams shown for accurate placement of 3 3/4" HST, Diamond Template A and Diamond Template B pieces, lay out the block before sewing. The (4) print fabrics used within each block colorway (*Colorways 1-5*) should alternate.

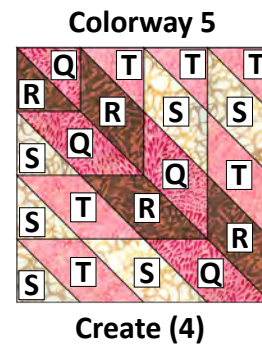

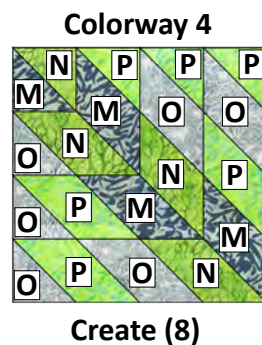

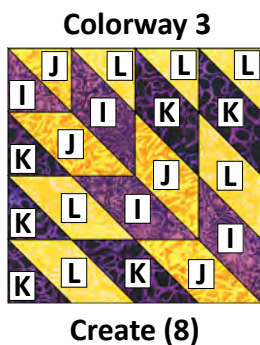

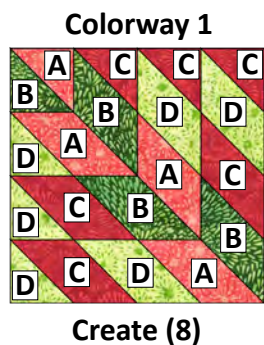

2. Begin sewing the block together in diagonal rows first. Arrows indicate pressing instructions. Pressing as shown in the diagram will allow most seams to nestle during block and quilt assembly.

3. Using pins to help align and nestle seams, sew together the diagonal rows to complete (1) block. Block should measure 12" x 12" unfinished.

4. Using the instructions and diagrams in Steps 1-3, arrange and sew Colorways 1-5. The guide below lists the quantity of blocks to make for each colorway.

- a. Create (8) Colorway 1: Fabrics A, B, C and D
- b. Create (8) Colorway 2: Fabrics E, F, G and H
- c. Create (8) Colorway 3: Fabrics I, J, K and L
- d. Create (8) Colorway 4: Fabrics M, N, O and P
- e. Create (4) Colorway 5: Fabrics Q, R, S and T

5. Blocks created in Steps 4a-4e will be assembled into (9) quilt sections. Arrange (4) identical colorway blocks as shown in the diagram below using Colorway 1 as an example. Small blocks will be turned within the section to create the bursting star effect. Using pins to help align and nestle seams, sew the blocks together to create a quilt section measuring  $23\frac{1}{2}'' \times 23\frac{1}{2}''$  unfinished.

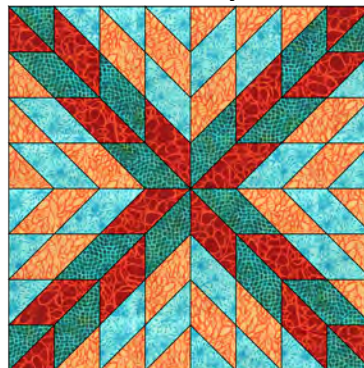

6. Repeat Step 5 to create (2) quilt sections using Colorways 1-4, and (1) quilt section using Colorway 5.

## QUILT ASSEMBLY:

7. Arrange quilt sections as shown in the diagram. Please note the location of Colorways 1-5.
8. Sew quilt sections together in rows first, using pins to help align and nestle seams. Alternate the direction in which you press the seams in each row.
9. Sew rows together to complete quilt top assembly. The quilt top should measure 69 ½" x 69 ½" unfinished.

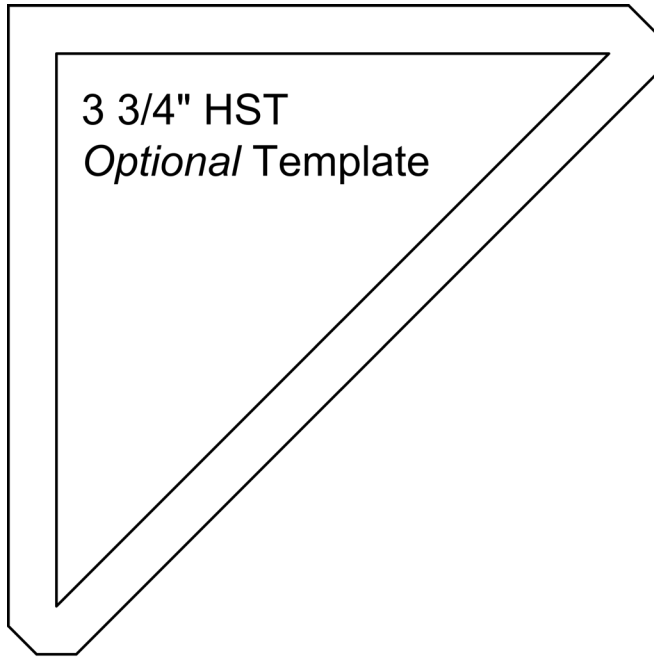

## FINISHING THE QUILT:

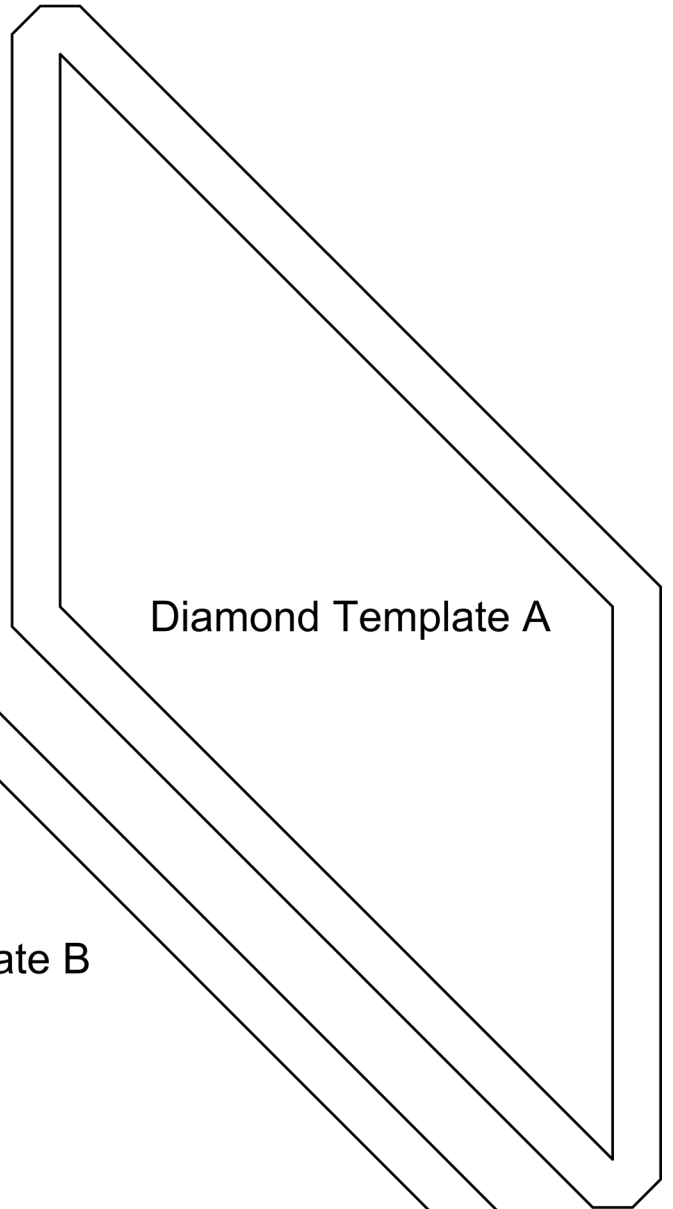

10. Sandwich quilt top with batting and backing. Baste quilt layers together using your preferred method. Quilt as desired.
11. Create binding using (8) **Fabric U** 2 ¼" x WOF strips.
12. Attach binding using your preferred method.
