Follow The Sun

The Sun Block:
Place an orange 2 ½" square on the end of a white 2 ½" x 4 ½" rectangle, RST.
Sew diagonally, across the orange square from corner to corner. Trim seam allowance, and press orange triangle open. Repeat on the other end. (Make 4).
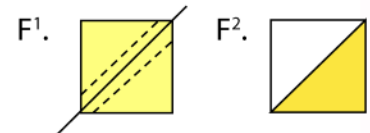

A.   B.   C.   D.

Following the diagram E, finish assembling the sun block.
Start by adding the side flying geese to the sides of the center square.
Add the corner squares to the remaining flying geese.
Then add the top and bottom units. Make 1.
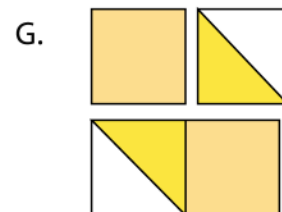

E.

Building the Path:
On the back of the 5" yellow bubbles tonal, draw a diagonal line with a fabric marking pencil. Place the 5" yellow square on top of the 5" white square, RST (F[1]). Stitch ¼" away from each side of the line. Cut on the marking line and press the seam allowance toward the yellow triangle.   Trim to 4 ½" square. Make 32 HST.

F[1].   F[2].
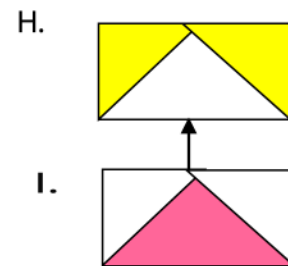

Following the diagram G, finish assembling the path units.
Lay out two HSTs from above and two 4 ½" pebbled beach squares as shown. Join into rows, and then join the rows to complete the path unit. Unit size should measure 8 ½" square. Make 16.

G.

### Tide Pool Points:
Next, make a series of flying geese using the same technique as steps A thru D.   Start with 4 ½"x 8 ½" white rectangles and 4 ½" yellow anemone squares. See figure H. Make 24.
Next use 4 ½"x 8 ½" pink anemone rectangles and 4 ½" white squares. See figure I. Make 16.

H.

Join one pink/white Flying Geese with one white/yellow Flying Geese. Make 16 double Flying Geese units.

I.

Using the balance of the yellow anemone Flying Geese, add the 4 ½"x 8 ½" white rectangles. See figure J. Make 8 Outer Star units.

WINDHAM FABRICS
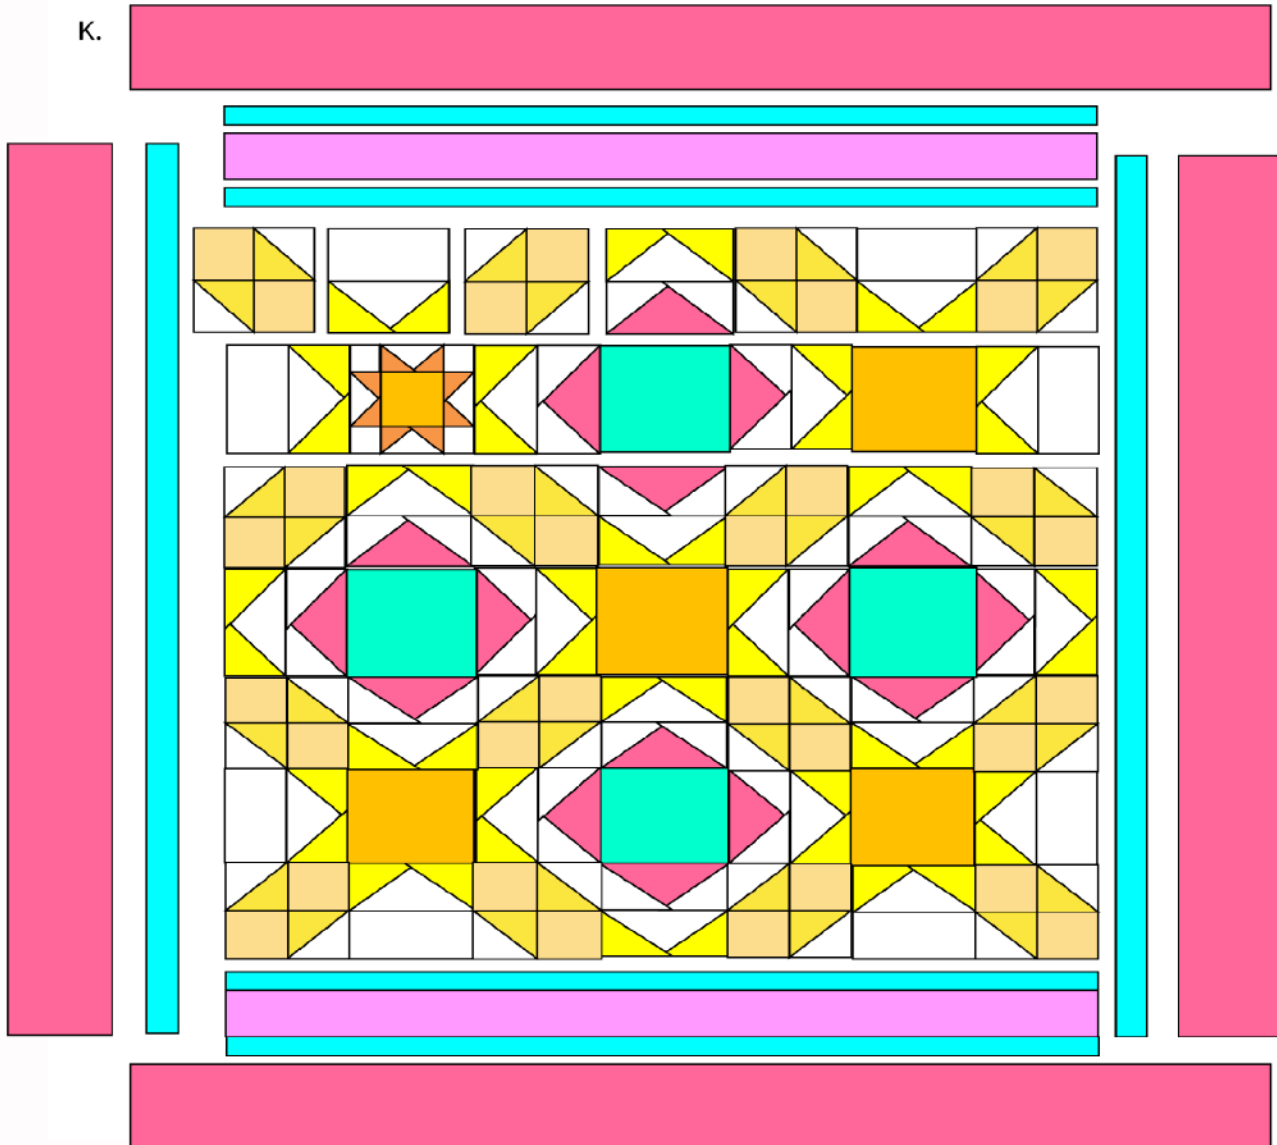

Quilt Assembly:

Lay out the Path Blocks, the Outer Star Blocks, the Tide Pool Points, the Beach Squares, and the Seahorse Squares in the rows shown in Figure K. Sew blocks together to make rows, and then sew the rows together to complete the quilt center. Add the top and bottom caps by sewing the sashing and framing Teal Bubbles strips to the top and bottom of the Pool Tile strip, and then to the quilt center. Next, add the Teal bubbles framing to the sides. Lastly, add the outer borders, sides first, then the top and bottom. Quilt and bind in your favorite method. Enjoy!
