Sewing Instructions :

- * Begin by sewing the longest red and white stripes together side by side in pairs. Then sew the three pairs together to create the bottom of the quilt.
- * Next, sew the shorter stripes together and add the single red stripe to the white side to form the upper right of the quilt.
- * Add the blue rectangle to left end of the shorter stripes to complete the upper part.
- * Finally, sew the top of the quilt with the blue in the upper left corner to the bottom stripes.

Quilting and Binding Recommendations

- * Using a water soluble marker, mark the quilt top lengthwise with loose curvy stripes, like waves 1 1/2" apart.
- * Sandwich the quilt top right side up, with batting and then the backing. Secure with safety pins or washable spray fabric adhesive.
- * Using natural thread, quilt the top in rows lengthwise beginning in the center and working out to the top and bottom edges.
- * Prepare the binding and bind the outer edges of the quilt.
