Save remainder for backing. |

56” x 56” piece of batting
Frosted Pines Tree Skirt

Sewing Instructions:
All seam allowances are 1/4". Pieces are sewn right sides together. Press all seams open. This pattern assumes a basic knowledge of paper piecing.

1. Complete the (16) Foundation 1 and Foundation 2 pieces using the fabrics listed on the Foundations and shown in the diagram, piecing them in the order given. Trim the foundations on the outside solid line. Leave the paper intact. NOTE: In Foundation 2 sections 2, 3, 4 and 5 are pieced using the Fabric A HST.

2. Sew the Foundation 1 and 2 pieces together into (16) A units.

3. Sew the Template 1 and 2 pieces to either side of the Template 3 pieces, making (16) B units.
4. Sew a Template 4 piece to the top of the A units.
5. Sew a B unit to the bottom of the A units, making (16) Wedges.
Frosted Pines Tree Skirt

Finishing
6. Sew the (16) finished wedges together into (4) quarters as shown. Sew the quarters together into (2) halves.

7. Sew the halves together on one side only. Remove all the papers.
8. Make a backing approx 52” x 52” from the remainder of Fabric K.

9. Layer the backing right side down, batting, and tree skirt top right side up, easing so that the open raw edges of the tree skirt top meet, but do not overlap. Baste the layers together and quilt as desired. Trim excess batting and backing around the outside circle, between the raw edges, and the inside circle.

10. Piece the 2 1/4” Fabric B strips using diagonal seams to make a bias binding. Sew the binding around the entire outside, inside, and raw edge of the tree skirt. Turn the binding to the back and secure in place by hand or machine. Label and enjoy.
