WINDHAM FABRICS
Sewing instructions:

Join (4) white 7.5 X 7.5 inch squares together to make a four patch. Diagram 1. Repeat to make 22 blocks that measure 14.5 X 14.5 inches.

Join (4) black 4 X 4 inch squares together to make a "row". Diagram 2. Repeat to make 22 rows that measure 3.5 X 14.5 inches.

Take your green circles and turn under the edge 1/4". Using your favorite appliqué method, center in the four patch and secure. Diagram 3

Join one white four patch with one black row to create your block, as shown Diagram 4. Repeat to make 22 blocks that measure 14.5 X 18 inches.

Arrange 4 blocks to make the first row as show in the layout diagram. Then 5 block to make the second row. Repeat this until you have 5 rows to create the layout as shown in the diagram.

Sew the blocks together in rows. Once the blocks are joined in each row, then sew the rows together to make the quilt top measuring 70 X 77 finished.
Create the backing:

Cut the 4.5 yards of fabric for the backing into (2) 2.25 yard pieces. Cut the selvages off the fabrics and join along the longest sides. You will now have a large piece of fabric measuring approximately 81 X 84”.

Layer the quilt top with batting and backing and quilt as desired. Trim the excess fabric and batting to within an 1/8 inch of the edge of the quilt.

Create the binding:

Join the 2.25 inch strips of fabric end to end to create the binding. Fold in half lengthwise and press to create the folded binding. Sew the binding to the the quilt top by machine and then fold to the backside of the quilt and hand stitch in place.

ENJOY!
